## Experience

### **Freelance Digital Cinematographer/Video Editor, 33 Frames Productions; San Francisco, CA – 2021-Present**

Director of daily operations, overseeing and managing efficient workflows to ensure delivery of video productions and digital media content creation. Proficient in working with multiple non-linear video editing, creation, and special effects software programs, including but not limited to Adobe Premiere Pro, Devinci Resolve, Sony Catalyst, Adobe Media Encoder, and Adobe After Effects.

### **Live Nation Entertainment Inc. Cobbs Comedy Club - San Francisco, North Beach, CA**

Assisted patrons with seating by giving directions and lighting paths.

Created entertaining comedy sets to build fan momentum and gain online attention.

Focused on keeping customers engaged, happy, and comfortable during events.

### **Mutiny Radio Studios 'This Human Experience' - San Francisco, CA - Podcast Host, 05/2017 to 01/2018**

Broadcast exceptional programming to audience members by always researching events, guests, and programs thoroughly.

### **Stand-UpGotham Comedy Club Jim Gaffigans New Talent Show - New York, NY - 02/2016 to present**

On stage, performing entertaining comedy sets to build fan momentum and gain online attention while staying funny. I was focused on keeping customers engaged, happy, and laughing during events.

.
